

[PAGE LAYOUT DOCUMENT]

Subsidy Gyaan

Check Subsidy Eligibility Page

Complete Modern Light Theme Website Layout Document

Gyaan se Pragati, Salah se Samriddhi

Page Role	Primary Goal	Design Style
Lead capture page from the header CTA button	Collect subsidy eligibility enquiries clearly	Modern, clean, light theme consulting layout

Recommended Page URL: [check-subsidy-eligibility.html](#)

This document defines the complete layout, copy placement, section order, form fields, responsive behavior, SEO direction, and developer notes for the Check Subsidy Eligibility page.

[PAGE PURPOSE]

Why This Page Is Needed

The website navigation has a strong CTA button: Check Subsidy Eligibility. This button should not go to a normal contact page. It should open a dedicated eligibility enquiry page where users can share project details, investment range, location, industry, and required support.

This page acts as the main conversion page for Subsidy Gyaan. Visitors may come from Home, Services, Central Subsidies, Gujarat Subsidies, Industries, Articles, or external campaigns. The page must help them submit enquiry details without confusion.

The page should clearly explain that eligibility depends on scheme rules, business category, location, investment, documentation, and government verification. It should collect enough information for the team to do a first-level review.

[NAVIGATION PLACEMENT]

Where This Page Comes in the Website

Navigation Item	Page / URL	Purpose
Header CTA	check-subsidy-eligibility.html	Main enquiry and eligibility lead capture page
Hero CTA	Check Subsidy Eligibility	Primary action from home page
Service CTAs	Check Eligibility	Used after service or scheme explanation
Footer CTA	Check Subsidy Eligibility	Final conversion action from all pages

Light Theme Design Direction

The page should follow the same modern light-theme direction as the rest of the website inspired by clean Webflow-style consulting templates. It should look premium, but also practical and easy to fill.

Color Role	Hex	Use	Design Feeling
Primary Blue	#1E73BE	Buttons, links, important highlights	Trust and government advisory
Deep Navy	#14213D	Headings, titles, footer text	Professional and serious
Teal Green	#0D8B8B	Badges, section labels, form focus	Guidance and clarity
Growth Green	#82B440	Success indicators and support icons	Progress and subsidy benefit
Orange Accent	#F28C28	CTA highlights and important chips	Action and attention
Soft Background	#F4FAFF / #F5FBF7	Section backgrounds and cards	Clean, calm, easy reading

Typography Direction

- Use Plus Jakarta Sans or Manrope for headings.
- Use Inter, Open Sans, or Aptos-style clean sans font for body text.
- Use large readable headings and short paragraph widths.
- Use bracket-style section labels such as [Eligibility Check], [How It Works], [FAQ].
- Keep form labels clear, not fancy. Form usability is more important than decoration.

Complete Page Section Order

No.	Section Name	Main Purpose	Layout Type
01	Header	Same website header with CTA active	Sticky header
02	Eligibility Hero	Explain the page and create trust	Split hero with form preview
03	Trust Strip	Show quick credibility	Stats and highlights
04	Who Should Fill This Form	Qualify visitors before form	Icon card grid
05	Eligibility Form	Main lead capture area	Two-column form layout
06	How Assessment Works	Explain next steps after submission	Four-step timeline
07	Information Required	Prepare users with basic details	Checklist cards
08	Scheme Direction Preview	Show Central and Gujarat scheme support	Two large cards
09	FAQ	Reduce doubts before submission	Accordion layout
10	Final CTA	Push users to submit or call	Gradient CTA block
11	Footer	Standard footer with disclaimer	Four-column footer

Header Layout

Use the same header as the complete website. In the screenshot shared, the CTA button is already visible on the right. That CTA should link to this page.

Desktop Header	Mobile Header
Logo left, menu center, orange CTA button right. CTA label: Check Subsidy Eligibility. Keep CTA visible and prominent.	Logo left, hamburger right. CTA should appear inside mobile menu and as a sticky bottom button if possible.

[SECTION 02]

Eligibility Hero Section

The hero should clearly tell users that this page is for checking possible subsidy eligibility, not for instant guaranteed approval.

Hero Content Copy

Small Label: [Check Subsidy Eligibility]

Main Title: Find Out Which Government Subsidy May Apply to Your Business

Brand Line: Gyaan se Pragati, Salah se Samriddhi

Description: Share your business idea, industry, location and investment details. Subsidy Gyaan will help you understand possible Central Government and Gujarat Government subsidy options, documentation needs, DPR requirements and next steps.

Primary Button: Start Eligibility Check

Secondary Button: Call Our Expert

[HERO VISUAL DIRECTION]

Hero Visual Layout

- Left side: page title, brand line, short text, and two CTA buttons.
- Right side: mini preview card of the eligibility form with 4 to 5 fields visible.
- Add floating tags around the form: MSME, PMFME, Gujarat Subsidy, DPR, Loan Support.
- Use soft blue-green gradient background, rounded card, and subtle shadow.
- Avoid using dark mountain or unrelated nature image. This page should feel like a professional advisory form.

[SECTION 03]

Trust Strip Below Hero

2011	3,500+	Pan-India	Ahmedabad
Year Established	Clients Served	Advisory Reach	Gujarat HQ

[SECTION 04]

Who Should Fill This Eligibility Form?

This section helps the visitor understand whether this page is relevant to them. Use a clean 3-column card grid.

New Entrepreneurs People planning to start a manufacturing, food processing, service, trading, or industrial project.	Existing MSME Units Businesses planning expansion, machinery purchase, technology upgrade, or subsidy-linked finance.	Food Processing Units Micro food processors, gruh udyog, SHGs, FPOs, FPCs, cooperatives and common infrastructure projects.
Textile & Garment Units Garment, apparel, technical textile, weaving, knitting, dyeing or processing units.	Logistics & Cold Chain Projects Warehouses, cold storage, logistics parks, storage and post-harvest infrastructure.	Export & Manufacturing Units Units looking for APEDA, EPCG, central schemes, Gujarat schemes, DPR and registration support.

[SECTION 05]

Main Eligibility Form Section

This is the most important section of the page. It should be clear, divided into steps, and not feel overwhelming. Use grouped fields with progress-style headings.

Step 1 - Contact Details	Recommended Input Type
Full Name	Text field
Mobile Number	Text field
Email Address	Text field
City	Text field
State	Text field
Preferred Contact Mode: Call / WhatsApp / Email	Dropdown / checkbox group

Step 2 - Business / Project Details	Recommended Input Type
Are you starting a new business or expanding an existing unit?	Dropdown / checkbox group
Business / Industry Type	Text field
Project Category: Manufacturing / Service / Food Processing / Textile / Logistics / Export / Other	Dropdown / checkbox group
Project Location: District, Taluka, City / Village	Text field

Estimated Total Project Investment	Text field
Plant & Machinery / Equipment Investment	Text field
Expected Employment Generation	Text field

Step 3 - Finance & Subsidy Requirement	Recommended Input Type
Do you need bank loan / term loan support?	Text field
Loan Amount Required / Planned	Text field
Subsidy Interest: Gujarat Govt. / Central Govt. / Both / Not Sure	Dropdown / checkbox group
Need Help With: Subsidy / DPR / Registration / Loan / Documentation / Full Setup	Dropdown / checkbox group

Upload option for project note or existing document (optional)	File upload optional
Message / Business Idea Description	Textarea
Consent checkbox for contact and advisory follow-up	Required checkbox

Form CTA Button Text: Submit Eligibility Request

Success Message: Thank you for sharing your project details. Our team will review your subsidy eligibility information and contact you shortly.

Form Experience and Validation Rules

Rule	Implementation Direction
Keep It Friendly	Use section dividers and short helper text below complicated fields.
Required Fields	Name, mobile, city/state, business type, project location, investment range and need help with should be required.
Optional Fields	Email, document upload, specific scheme name and detailed message can be optional.
Mobile Usability	On mobile, every field should become full width with large tap-friendly inputs.
Lead Quality	Investment, location, project category and scheme interest are important for filtering serious enquiries.
Disclaimer	Show a clear note that form submission does not guarantee subsidy approval.

How the Eligibility Assessment Works

01 Submit Project Details Visitor shares business idea, industry, investment, location and subsidy requirement.	02 Basic Review by Team Subsidy Gyaan reviews the details and checks likely Central or Gujarat scheme direction.	03 Document & DPR Guidance The team explains required registrations, DPR, finance documents and application readiness.	04 Consultation & Next Steps Visitor receives practical guidance for eligibility, documentation and application support.
---	--	--	--

Information Users Should Keep Ready

- Business idea or existing unit details
- Industry type and product/service category
- Project location: city, district, taluka, village or industrial area
- Estimated total investment and machinery/equipment investment
- Loan requirement or finance planning details

- Existing registrations such as Udyam, GST, FSSAI, IEC or others, if available
- Any earlier DPR, project report, bank proposal or document file, if available

Scheme Direction Preview Section

This section should reassure users that Subsidy Gyaan understands both Central Government and Gujarat Government subsidy schemes. Use two premium cards.

Central Government Subsidy Direction	Gujarat Government Subsidy Direction
PMFME, NABARD / AMIGS, AIF, EPCG, APEDA, Cold Storage, Credit Linked Capital Subsidy, MOFPI and Biomass / Renewable Energy subsidy guidance.	MSME Assistance, Large / Mega / Ultra-Mega support, Textile subsidy, Logistic Park assistance, Electric Duty Waiver, Marketing Support, and IT / Electronics / Biofuel / Biotechnology policy direction.
CTA: Submit Details for Review	CTA: Submit Details for Review

Eligibility Page FAQ Section

Q. Does filling this form guarantee subsidy approval?
No. The form helps the team understand your business and guide you about possible subsidy direction. Final eligibility and approval depend on official scheme rules, documents, project location, investment, and authority verification.
Q. Can a new business fill this form?
Yes. New entrepreneurs can fill the form to understand possible schemes, project report requirements, registration needs and finance planning.
Q. Do you guide for both Gujarat and Central Government schemes?
Yes. The page should clearly mention both Gujarat Government and Central Government subsidy advisory support.
Q. Do I need a DPR before contacting you?
No. Users can contact first. Subsidy Gyaan can guide on DPR preparation where required for subsidy, bank finance or project approval.
Q. Can small food processors, SHGs or gruh udyog apply?
Yes. The business supports micro food processors, gruh udyog, SHGs, FPOs, FPCs and small enterprises where applicable.
Q. What details are needed for the first review?
Business type, project location, investment range, loan requirement, available registrations, and basic project idea are usually enough for initial direction.

[SECTION 10]

Final CTA Section

Gyaan se Pragati, Salah se Samriddhi

Ready to Check Which Subsidy May Apply to Your Business?

Submit your project details or speak with our team for practical guidance on subsidy eligibility, DPR, documentation, registration and next steps.

Buttons: [Submit Eligibility Request](#) | [Call Now](#)

[SECTION 11]

Footer Direction

Use the same footer as the complete website. Since this page collects subsidy enquiries, the footer disclaimer is important.

Brand	Quick Links	Services	Contact
Subsidy Gyaan by Advait Associates Gyaan se Pragati, Salah se Samriddhi	Home About Services Subsidies Industries Articles Contact	Subsidy Advisory DPR Preparation Registration Banking Liaison Government Liaison	Phone: +91 8320542940 / +91 8866248393 Email: oswal2nisarg@gmail.com HQ: Ahmedabad, Gujarat Service Area: Across India

Disclaimer: Subsidy eligibility, benefit amount, approval and disbursement depend on applicable government policy, business category, project location, investment, documents, compliance status and authority verification. Submission of this form does not guarantee subsidy approval.

[SEO DETAILS]

SEO Direction for This Page

SEO Item	Recommended Content
SEO Title	Check Subsidy Eligibility Gujarat & Central Government Subsidy Guidance
Meta Description	Submit your business details to check possible subsidy eligibility for Gujarat Government and Central Government schemes. Get guidance on DPR, documentation, registration and subsidy application support.
H1	Check Subsidy Eligibility for Your Business
Primary Keywords	check subsidy eligibility, Gujarat subsidy consultant, government subsidy guidance, MSME subsidy eligibility, business subsidy consultant
Secondary Keywords	PMFME subsidy, Gujarat MSME subsidy, DPR preparation, central government subsidy, startup subsidy guidance

[RESPONSIVE RULES]

Responsive Design Rules

- Desktop: hero should use two columns, with content left and form preview right.
- Tablet: hero can remain two columns if space allows, otherwise stack content and form preview.
- Mobile: all form fields should be full width; group headings should stay sticky or clearly visible.
- Use larger input height on mobile, minimum 46px to 50px.
- Sticky bottom CTA on mobile can say: Check Eligibility or WhatsApp Now.
- FAQ accordion should be single-column on all devices.
- Avoid heavy animation on this page. Users must be able to fill the form quickly.

[DEVELOPER NOTES]

HTML / CSS / JS Build Notes

- Create this page as check-subsidy-eligibility.html.
- Use the same global header, footer, colors, typography and spacing as the rest of the website.

- Add client-side form validation using JavaScript.
- Show success message after form submit. For static version, form can be connected later to WhatsApp, email, Google Sheet, or backend.
- Add dropdown for subsidy interest and business category to improve lead quality.
- Use smooth fade-up animation for sections, but keep the form static and stable.
- Do not make the form too long visually. Use grouped cards and collapsible sections if needed.
- Add privacy/consent checkbox before submit.

[CURSOR / AI BUILDER PROMPT]

Ready-to-Use Build Prompt

Create a modern light-theme Check Subsidy Eligibility page for Subsidy Gyaan by Advait Associates using only HTML, CSS and JavaScript. The page should match the website style: clean white background, soft blue-green gradients, navy headings, teal and green accents, orange CTA buttons, rounded cards, and premium consulting layout. Use the page URL check-subsidy-eligibility.html. Build sections in this order: shared header, eligibility hero, trust strip, who should fill this form, grouped eligibility form, how assessment works, information required checklist, Central and Gujarat scheme preview cards, FAQ accordion, final CTA, and shared footer. Hero title: Find Out Which Government Subsidy May Apply to Your Business. Use the brand line Gyaan se Pragati, Salah se Samridhi. The form should collect contact details, business/project details, project location, estimated investment, loan requirement, subsidy interest, available documents, message and consent checkbox. Make the page fully responsive. On mobile, all form fields must be full width and easy to tap. Add JavaScript validation, FAQ accordion, sticky header shadow, smooth scroll and submit success message. Include a disclaimer that subsidy eligibility and approval depend on government policy, project category, location, documents and authority verification.
