01. About Subsidy Gyaan

Subsidy Gyaan by Advait Associates is a leading advisory firm based in Ahmedabad, Gujarat offering end-to-end consultancy services across India. We specialize in assisting industries with availing subsidies under various schemes of the Central Government and the Government of Gujarat. Since our inception in 2011, we have successfully guided over 3,500 clients in navigating the complexities of subsidy applications and ensuring their businesses receive the maximum benefits.

Subsidy Gyaan is a knowledge-sharing and advisory platform focused on creating awareness about subsidy opportunities available to MSME industries and guiding enterprises to secure the maximum eligible benefits under Central and State Government schemes. The platform combines practical subsidy advisory, compliance guidance, project report preparation, and ecosystem support services to help businesses move from idea to implementation with greater clarity and confidence.

The organization has positioned itself as a specialized partner for entrepreneurs, industrial units, micro food processors, gruh udyog, self-help groups, and farmer producer organizations that require both strategic guidance and execution support. Its current thrust is on strengthening the micro food processing sector through free consultancy-driven awareness and handholding so that small businesses can formalize, expand, and become subsidy-ready.

Our Unique Selling Proposition (USP)

Our in-depth knowledge of subsidy schemes and government processes sets us apart in a highly competitive market. We take pride in offering:

Expertise

Our deep understanding of government schemes, both at the Central and State levels, ensures that our clients benefit from a streamlined and efficient subsidy application process.

Process Knowledge

With extensive experience in dealing with various government departments, we understand the nuances and flow of applications, ensuring timely approvals.

Proactive Approach

We stay updated on the latest amendments and changes in government policies, allowing us to guide our clients in making well-informed decisions that maximize their benefits.

Reliability

Our commitment to transparency and responsiveness has earned us the trust of industries across India, providing a competitive edge in the consultancy landscape.

02. Our Services

Central Government Subsidy Schemes

Scheme	Key Benefit
PMFME Scheme	<u>Individual Units</u> Micro food industries can avail of a 35% capital subsidy (up to ₹10 Lakhs) under the PMFME Scheme from the Government of India. <u>Common Infrastructure Support (for Groups)</u> 35% subsidy to FPOs, FPCs, cooperatives, SHGs, government agencies (up to ₹3 crore) for common facilities / infrastructure like Cold storage, warehouses, incubation centres, common processing units.
NABARD Schemes (AMIGS)	A 25% capital subsidy (ceiling of ₹25–30 Lakhs) for units involved in the cleaning, sorting, and grading of agricultural commodities. Additional subsidy of 25%–33.33% (ceiling of ₹75–100 Lakhs) for capital investments in agricultural commodity warehouses.
AIF Scheme	All loans relating to postharvest management Infrastructure and community farming assets under this financing facility will have interest subvention of 3% per annum up to a limit of ₹ 2 crore. This subvention will be available for a maximum period of 7 years. In case of loans beyond ₹ 2 crore, then interest subvention will be limited up to ₹ 2 crore.
EPCG Subsidy	Industries can import capital goods without paying import duties or IGST under this scheme, provided they meet certain export commitments. GST refunds are also available for eligible capital goods procured through domestic vendors.
Apeda Scheme	The Financial Assistance Scheme (FAS) is an export promotion scheme run by APEDA. APEDA is an export promotion body under the Ministry of Commerce and Industry for the promotion of Agricultural and Processed Food Products. The scheme has been open and implemented for the period of 2021-22 to 2025-26. The scheme aims to facilitate the export of agri-products by providing assistance to exporters. <u>Financial assistance is provided in three broad areas, namely:</u> ➤ Development of Export Infrastructure ➤ Infrastructure, Quality Development and ➤ Market Development.
Cold Storage Subsidy	Subsidy Scheme for Construction/ Expansion/ Modernization of Cold Storages The National Horticulture Board (NHB) provides a credit-linked back-ended subsidy under the Capital Investment Subsidy Scheme for the construction, expansion, and modernization of cold storages. It offers 35% subsidy for general

Scheme	Key Benefit
	areas and 50% for North East, hilly, and scheduled areas, primarily targeting projects with capacities above 5,000 MT.
Credit Linked Capital Subsidy Scheme	Special Credit Linked Capital Subsidy Scheme (SCLCSS) component, introduced under the National SC-ST Hub scheme with an objective to promote new enterprises and support the existing enterprises in their expansion for enhanced participation of SC/ST entrepreneurs in public procurement. To ease the access to latest technology, under SCLCSS, there is a provision of 25% subsidy to the SC/ST MSEs for procurement of Plant & Machinery/ Equipment through institutional credit (bank loan) with the overall ceiling of Rs. 25 Lacs on the subsidy. SCLCSS, is applicable for the purchase of new Plant & Machinery / Equipment eligible for Term Loan from the Prime Lending Institutions (PLIs).
MOFPI Subsidy Schemes	The Ministry of Food Processing Industries (MoFPI) offers several schemes to promote investment in the food processing sector by supporting infrastructure development, value addition, and modern supply chain facilities. <u>Key components</u> Cold chain & value addition — up to ₹10 Cr. Subsidy Mega food parks — up to ₹50 Cr. Subsidy Agro processing clusters — up to ₹10 Cr. Subsidy
Biomass / Renewable Energy Subsidy	<u>Briquette Manufacturing plants</u> Rs. 9 Lakh per MTPH (metric ton/hour) manufacturing capacity (maximum CFA of Rs 45 Lakhs per plant) <u>Non-Torrefied Pellet Manufacturing Plant</u> Rs. 21.0 lakhs/MTPH production capacity or 30% of the capital cost considered for plant and machinery of a 1 MTPH plant, whichever is lower (Maximum Rs. 105 lakhs per project) <u>Torrefied Pellet Manufacturing Plant</u> Rs. 42.0 lakhs/MTPH production capacity or 30% of the capital cost considered for plant and machinery of 1 MTPH plant, whichever is lower (Maximum Rs. 210 lakhs per project) <u>Biomass (non-bagasse) cogeneration projects</u> Rs. 40 Lakhs/MW (on Installed Capacity) (maximum CFA of Rs. 5 Crores per project)

State Government Subsidy Schemes

1. MSME Assistance Scheme (Gujarat)

Gujarat's MSME assistance framework has been comprehensively revised under the New Viksit Gujarat Industrial Policy 2026, effective 1st June 2026 and in force for a period of 5 years (valid till 31st May 2031, approx.). The policy adopts the Government of India's enhanced MSME definition raising investment thresholds so more enterprises can access MSME-level benefits while growing and offers a wider basket of incentives administered by the Industries Commissionerate, Govt. of Gujarat.

Revised MSME Definition — Investment in P&M/Equipment

Category	Old Definition	New Definition (Policy 2026)
Micro	Investment in P&M up to ₹1 Cr	Investment in P&M/Equipment up to ₹2.5 Cr
Small	Investment in P&M up to ₹10 Cr	Investment in P&M/Equipment >₹2.5 Cr up to ₹25 Cr
Medium	Investment in P&M up to ₹50 Cr	Investment in P&M/Equipment >₹25 Cr up to ₹125 Cr

Higher thresholds mean more enterprises now qualify for MSME level incentives - supporting growth from small to medium without losing access to capital subsidy, interest subsidy and power tariff support.

Core Incentive Components

MSMEs can choose a combination of Capital Subsidy, Interest Subsidy and Power Tariff assistance, structured by Taluka Category:

Taluka Category	Capital Subsidy on Term Loan	Interest Subsidy	Power Tariff Assistance
Category-B	Micro: 25% of eFCI in Year 1. Small & Medium: 25% of eFCI disbursed over 5 years.	7% on Term Loan for 5 years, up to 10% of eFCI (MSME).	₹1/unit for 5 years, up to 25% of eFCI (MSME).
Category-A	Micro: 35% of eFCI in Year 1. Small & Medium: 35% of eFCI disbursed over 5 years.	7% on Term Loan for 5 years, up to 10% of eFCI (MSME).	₹2/unit for 5 years, up to 25% of eFCI (MSME).

Maximum overall subsidy ceiling: 35% of eFCI in Category-B Talukas and 45% of eFCI in Category-A Talukas - combining Capital Subsidy, Interest Subsidy and Power Tariff Assistance.

Additional MSME Support

- **Technology & Quality:** Quality/ZED certification, ERP & ICT adoption, technology acquisition and patent assistance.
- **Market & Capital Access:** SME exchange listing support, rent assistance for MSEs, exhibition & market development aid.
- **Utility Savings:** Assistance for energy/water savings and power connection charges.

Common Benefits (also available to Large, Mega & Ultra-Mega Units)

- **EPF Reimbursement:** 100% of employer's statutory contribution — up to ₹1,800/month (male), ₹2,500/month (female) and ₹3,000/month (specially-abled) — for 5 years for MSME units.
- **Electricity Duty Exemption:** 100% exemption as per the Gujarat Electricity Duty Act, 1958.

Inclusive Boost — SC/ST Entrepreneurs

Under the Dr. Babasaheb Ambedkar Scheme and Bhagwan Birsa Munda Scheme, SC/ST entrepreneurs running MSMEs receive an additional 5% on the overall incentive ceiling.

Special Provision — Selected Thrust Sectors: MSMEs operating in Sports Goods & Equipment, Toys, Footwear, Robotics and Drones (and other sectors notified from time to time) qualify for the highest incentive ceiling in the entire policy — 45% of eFCI (Category-B) and 50% of eFCI (Category-A), combining capital subsidy, interest subsidy and power tariff.

2. Large, Mega & Ultra-Mega Units (Viksit Gujarat Industrial Policy 2026)

Large and mega-scale investments anchor Gujarat's industrial transformation — generating employment, attracting ancillary MSMEs, and accelerating infrastructure & technology adoption. Eligible units may combine Capital Subsidy, Interest Subsidy and Power Tariff Assistance.

LARGE UNIT Min. ₹125 Cr in P&M	MEGA UNIT Min. ₹1,000 Cr + 250 jobs + Thrust sector required	ULTRA-MEGA UNIT Min. ₹10,000 Cr + 3,000 jobs + Thrust sector required
-----------------------------------	--	---

A. Large Units — Thrust Sectors (Ceiling: 25% Cat-B | 35% Cat-A)

Taluka Category	Capital Subsidy	Interest Subsidy	Power Tariff
Category-B	15% of eFCI over 8 years	7% on Term Loan, 8 yrs, up to 15% of eFCI	₹1/unit, 8 yrs, up to 15% of eFCI
Category-A	25% of eFCI over 8 years	7% on Term Loan, 8 yrs, up to 20% of eFCI	₹2/unit, 8 yrs, up to 20% of eFCI

B. Large Units — General Sector (Ceiling: 15% Cat-B | 20% Cat-A)

Taluka Category	Capital Subsidy	Interest Subsidy	Power Tariff
Category-B	10% of eFCI over 10 years	7% on Term Loan, 10 yrs, up to 10% of eFCI	₹1/unit, 10 yrs, up to 10% of eFCI
Category-A	15% of eFCI over 10 years	7% on Term Loan, 10 yrs, up to 15% of eFCI	₹2/unit, 10 yrs, up to 15% of eFCI

C. Mega Units (Ceiling: 30% Cat-B | 35% Cat-A)

Taluka Category	Capital Subsidy	Interest Subsidy	Power Tariff
Category-B	20% of eFCI over 10 years	7% on Term Loan, 10 yrs, up to 20% of eFCI	₹1/unit, 10 yrs, up to 20% of eFCI
Category-A	25% of eFCI over 10 years	7% on Term Loan, 10 yrs, up to 25% of eFCI	₹2/unit, 10 yrs, up to 25% of eFCI

D. Ultra-Mega Units (Ceiling: 35% Cat-B | 40% Cat-A)

Taluka Category	Capital Subsidy	Interest Subsidy	Power Tariff
Category-B	25% of eFCI over 12 years	7% on Term Loan, 12 yrs, up to 20% of eFCI	₹1/unit, 12 yrs, up to 20% of eFCI
Category-A	30% of eFCI over 12 years	7% on Term Loan, 12 yrs, up to 25% of eFCI	₹2/unit, 12 yrs, up to 25% of eFCI

Ultra-Mega Exclusive: Ultra-Mega units alone are eligible for 100% stamp duty & registration fee reimbursement, in addition to EPF reimbursement and electricity duty exemption available to all categories.

Incentive Ceiling Comparison — All Categories

A quick side-by-side view of the maximum subsidy ceiling available under each unit category and Taluka classification:

Category of Unit	Max Ceiling — Cat. B	Max Ceiling — Cat. A
MSME	35% of eFCI	45% of eFCI
Large Unit — Thrust Sectors	25% of eFCI	35% of eFCI
Large Unit — General Sector	15% of eFCI	20% of eFCI
Mega Unit	30% of eFCI	35% of eFCI
Ultra-Mega Unit	35% of eFCI	40% of eFCI
Selected Thrust Sectors (Sports Goods, Toys, Footwear, Robotics, Drones)	45% of eFCI	50% of eFCI

3. Subsidy for Textile Industries

New industrial units are eligible for several primary financial incentives designed to strengthen the textile value chain. These incentives vary based on the type of activity: Activity 1 (Garments, Apparel, Made-ups, and Technical Textiles) and Activity 2 (Weaving, Knitting, Dyeing, Processing, and certain MMF Spinning).

The primary financial incentives include:

1. Capital Subsidy

New units can receive financial assistance as a percentage of their Eligible Fixed Capital Investment (eFCI), disbursed in five equal annual installments after the commencement of commercial production.

- **Activity 1:** Between 20% and 35% of eFCI, with maximum caps ranging from ₹50 Crore to ₹100 Crore, depending on the Taluka category.
- **Activity 2:** Between 10% and 20% of eFCI, with maximum caps ranging from ₹40 Crore to ₹50 Crore.

2. Interest Subsidy

Units availing term loans for their projects are eligible for credit-linked interest subsidies.

- **Activity 1:** Interest subsidy of 5% to 7% on term loans for a period of 6 to 8 years, capped at 2% to 3% of eFCI per annum.
- **Activity 2:** Interest subsidy of 5% to 7% on term loans for a period of 5 to 7 years, capped at 2% of eFCI per annum.

In all cases, the industrial unit must bear a minimum of 2% interest themselves.

3. Power Tariff Subsidy

New units receive a subsidy of ₹1 per unit (kWh) for a period of 5 years from the date of commercial production. This applies whether the power is availed from a DISCOM or through renewable power via open access.

4. Payroll Assistance

To encourage employment, the state provides monthly financial assistance for workers for a period of five years:

- **Garments, Apparel & Made-ups:** ₹5,000 per female worker and ₹4,000 per male worker.
- **Technical Textiles:** ₹3,000 per female worker and ₹2,000 per male worker.

5. Incentives for Labour Intensive Units

Units that provide employment to at least 4,000 persons (with at least 1,000 being female) qualify for enhanced incentives:

- **Higher Capital Subsidy caps:** Up to ₹150 Crore for both Activity 1 and Activity 2.
- **Extended Payroll Assistance:** Available for 10 years instead of five.
- **Enhanced Interest Subsidy:** Up to 8 years for both activities.

6. Additional Support Measures

- **Technology Acquisition:** Assistance of 65% of the cost for acquiring appropriate technology, up to a maximum of ₹50 lakh.
- **Quality Certification:** Reimbursement of 50% of fees for national/international certifications and 50% of testing equipment costs, up to ₹10 lakh.
- **Energy and Water Saving:** Assistance for energy/water audits (75% of cost, max ₹50,000) and 25% of the cost for recommended equipment (max ₹20 lakhs).
- **Electricity Duty:** Large industrial undertakings are eligible for exemptions from Electricity Duty.

Note: Rules for Categorization

- **Multiple Talukas:** If a project spans more than one taluka, the category is determined by the taluka that contains the largest percentage of the project's land area.
- **Ineligible Areas:** Industrial undertakings located within the limits of a Municipal Corporation (as notified on the date of the policy) are not eligible for incentives under this policy.

4. Logistic Park Assistance

Gujarat offers several financial incentives for building logistics parks. These incentives are designed to enhance the state's infrastructure and maintain its competitive advantage in the logistics sector.

The primary financial incentives include:

1. Capital and Interest Subsidies

- **Capital Subsidy:** Developers of new logistics parks can receive a capital subsidy of 25% of the Eligible Fixed Capital Investment (eFCI), with a maximum limit of ₹15 crore. eFCI generally includes investment in fixed assets like buildings and infrastructure but excludes land costs and transport vehicles.
- **Interest Subsidy:** New units are eligible for an interest subsidy of 7% for 7 years on eligible term loans, capped at ₹50 lakhs per annum. The unit must bear a minimum of 2% interest in each case.

2. Tax and Duty Exemptions

- **Stamp Duty Reimbursement:** Approved projects are eligible for a 100% one-time reimbursement of stamp duty paid on the purchase of land.
- **Electricity Duty Exemption:** New units can receive a 100% exemption from electricity duty for a period of 5 years.

5. Electric Duty Waiver

- New industries and those undergoing expansion are exempted from paying Electric Duty for 5 years.
- Electric Duty rates are 15% for HT connections and 10% for LT connections.

6. Marketing Support Schemes

- Refunds are available for stall rent and incidental expenses for participation in exhibitions, subject to the specific conditions set by the Central and State Governments.

7. Dedicated Policies for IT, Electronics, Bio Fuel / Energy and Biotechnology Sectors

- These sectors are eligible for capital and interest subsidies, along with other sector-specific benefits. A detailed analysis can be provided on a case-to-case basis.

Our Other Services

➤ Detailed Project Report (DPR) Preparation

A well-structured DPR is the foundation of any successful subsidy application and project financing. We provide:

- ◆ Comprehensive DPR preparation tailored to banking standards and government requirements
- ◆ Project viability analysis, financial projections, and technical specifications
- ◆ DPRs specifically structured for PMFME, NABARD, MSME, Logistic Park Projects and textile subsidy schemes
- ◆ Integration of subsidy optimization strategy within the project report

➤ Registration & Certification Services

We provide hassle-free preparation and facilitation of all essential industrial registrations:

- ◆ Udyam Registration Certificate (MSME Registration)
- ◆ FSSAI Certificate (Food Safety Compliance)
- ◆ GST Certificate & GST Compliance Advisory
- ◆ Other Industry-Specific Certifications as required for subsidy eligibility
- ◆ Import Export License

➤ Networking & Allied Services

Subsidy Gyaan acts as a strategic bridge, connecting industries with verified ecosystem partners:

- ◆ Machinery Suppliers: Network of trusted equipment and machinery vendors
- ◆ Food Technologists: Expert consultation for food processing units
- ◆ Compliance Partners: Chartered accountants, legal advisors, and documentation specialists
- ◆ Banking & Financial Liaison: Coordination with term loan providers and financial institutions
- ◆ Government Liaison: Direct facilitation with relevant departments and nodal agencies

We would be delighted to collaborate with you and assist your business in availing maximum subsidies. Feel free to contact us for references or any clarifications. We can also provide a list of industries in your product category that have benefited from our services.

WHY CHOOSE SUBSIDY GYAAN?

- ◆ **Holistic Approach:** We don't just file applications — we build complete subsidy strategies aligned with your business goals
- ◆ **Compliance-First Mindset:** We ensure every prerequisite is met, minimizing rejection risk and delays
- ◆ **Knowledge Democratization:** From large industries to micro-enterprises, we make complex schemes accessible
- ◆ **Ecosystem Access:** One platform for subsidies, DPRs, registrations, and industrial networking
- ◆ **Social Commitment:** Genuine dedication to uplifting underserved entrepreneurs through free advisory

OUR COMMITMENT

At Subsidy Gyaan, we believe that every eligible industry — whether a ₹100 Crore textile unit or a home-based pickle-making Gruh Udhog — deserves expert guidance to access government support. We are committed to:

Transparency	In every transaction and advisory interaction
Timeliness	In application processing and government follow-ups
Excellence	In documentation quality and compliance management
Inclusivity	Supporting micro and rural enterprises through free services
Partnership	In your long-term growth journey — from idea to implementation
