

Common Footer Layout Document

Same footer to be used across all main pages

Gyaan se Pragati, Salah se Samriddhi

1. Footer Purpose

This document defines one clean, normal, reusable footer for every page of the Subsidy Gyaan website. The footer should not look heavy or experimental. It should feel like a professional consulting website footer with quick links, service links, contact details, brand line, and a clear disclaimer.

2. Design Direction

Use a light theme footer that matches the full website design. The footer should be clean, simple and business-friendly, similar to standard professional websites.

- Background: white or very soft blue (#F4FAFF).
- Main text color: deep navy (#14213D) and body gray (#475569).
- Accent colors: teal green (#0D8B8B), government blue (#1E73BE), and orange CTA (#F28C28).
- Use rounded top CTA block only if the page needs a stronger conversion section.
- Avoid dark footer, heavy gradients, glassmorphism, oversized icons, and too much animation.

3. Footer Structure

The footer should have three parts: a small CTA strip, the main footer columns, and the bottom legal bar.

Footer Part	Purpose	Design Notes
Top CTA Strip	Encourage users to check eligibility or contact the team before leaving the page.	Soft blue/green background, left text, right button. Optional on pages that already have a final CTA.
Main Footer Columns	Show brand description, quick links, services/subsidies, and contact details.	Four-column desktop layout. White background with subtle top border.
Bottom Bar	Show copyright, disclaimer link/short disclaimer, and brand line.	Small text, clean border top, two-column desktop and stacked mobile.

4. Footer Layout Wireframe

TOP CTA STRIP: Not sure which subsidy applies to your business? Button: Check Subsidy Eligibility			
Column 1 Brand Info	Column 2 Quick Links	Column 3 Services & Subsidies	Column 4 Contact Details
Logo / Name Short description Brand line	Home About Services Subsidies Industries Articles Contact	Central Subsidies Gujarat Subsidies DPR Preparation Registration Banking Liaison Government Liaison	Phone Email Ahmedabad, Gujarat Across India CTA button
BOTTOM BAR: Copyright Disclaimer Gyaan se Pragati, Salah se Samriddhi			

5. Exact Footer Content

Column 1 - Brand Information

Title: Subsidy Gyaan

Subtitle: by Advait Associates

Description: Subsidy Gyaan is a subsidy advisory and knowledge-sharing platform helping entrepreneurs, MSMEs, industries and growing businesses understand eligible Central and Gujarat Government subsidy schemes, prepare documentation, and move from idea to implementation with confidence.

Brand Line: Gyaan se Pragati, Salah se Samriddhi

Column 2 - Quick Links

- Home
- About
- Services
- Central Government Subsidies
- Gujarat Government Subsidies
- Industries
- Articles
- Contact
- Check Subsidy Eligibility

Column 3 - Services & Subsidies

- Central Government Subsidy Advisory
- Gujarat Government Subsidy Advisory
- Detailed Project Report Preparation
- Registration & Certification Services
- Banking & Financial Liaison

- Government Liaison & Follow-Up
- Networking & Allied Services

Column 4 - Contact Details

- Phone: +91 8320542940 / +91 8866248393
- Email: oswal2nisarg@gmail.com
- Headquarters: Ahmedabad, Gujarat
- Service Area: Across India
- CTA Button: Call Now / Check Eligibility

6. Top CTA Strip Content

Use this strip above the main footer on all pages except pages where a large CTA already appears immediately before footer.

Element	Content
Small Label	Need Subsidy Guidance?
Main Text	Not sure which subsidy applies to your business?
Supporting Text	Share your business idea, location, investment plan and industry. Our team will guide you with suitable Central and Gujarat Government subsidy options.
Primary Button	Check Subsidy Eligibility
Secondary Link	Contact Our Expert

7. Bottom Bar Content

Copyright Text: Copyright 2026 Subsidy Gyaan by Advait Associates. All Rights Reserved.

Footer Brand Line: Gyaan se Pragati, Salah se Samriddhi

Short Disclaimer: Subsidy eligibility, benefit amount, approval and disbursement depend on applicable government policy, project category, location, investment, documents and department verification. Final approval is subject to official government guidelines and authority decision.

8. Link Mapping for HTML Website

Footer Label	Suggested Link
Home	index.html
About	about.html
Services	services.html
Central Government Subsidies	central-subsidies.html
Gujarat Government Subsidies	gujarat-subsidies.html
Industries	industries.html
Articles	blogs.html
Contact	contact.html
Check Subsidy Eligibility	check-subsidy-eligibility.html

9. Footer Visual Style

- Main footer container width: max 1200px to 1280px centered.
- Top padding: 70px desktop, 45px tablet, 35px mobile.
- Column gap: 40px desktop.
- Footer headings: 15px to 16px, bold, deep navy.
- Footer links: 14px to 15px, gray text, teal hover.
- CTA button: orange background (#F28C28) with white text and rounded pill shape.
- Use small line divider above bottom bar.
- Use simple hover animation: link moves 3px right or changes color.

10. Responsive Behavior

Screen Size	Footer Layout
Desktop 1200px+	Four columns in one row. CTA strip has text on left and button on right.
Tablet 768px - 1199px	Two columns per row. CTA strip can stay horizontal if space allows.
Mobile below 768px	Single-column stacked footer. CTA strip text and button stacked. Footer links should have comfortable spacing.
Small Mobile below 480px	Logo, brand text and contact details centered or left aligned consistently. Buttons full width.

11. Things to Avoid

- Do not create a dark footer because the full website is planned in light theme.
- Do not add too many links or long paragraphs that make footer heavy.
- Do not use multiple CTA buttons in the main footer column.
- Do not show outdated scheme amounts inside footer.
- Do not make social icons too large if social links are not final.
- Do not add decorative background images behind footer text.

12. Ready-to-Use Footer Copy

Subsidy Gyaan by Advait Associates

Subsidy Gyaan is a subsidy advisory and knowledge-sharing platform helping entrepreneurs, MSMEs, industries and growing businesses understand eligible Central and Gujarat Government subsidy opportunities, prepare documentation and move forward with clarity.

Phone: +91 8320542940 / +91 8866248393 | Email: oswal2nisarg@gmail.com | Headquarters:
Ahmedabad, Gujarat | Service Area: Across India

Disclaimer: Subsidy eligibility, benefit amount, approval and disbursement depend on applicable government policy, project category, location, investment, documents and department verification. Final approval is subject to official government guidelines and authority decision.

13. Cursor / AI Builder Prompt for Footer

Create a clean, modern, light-theme reusable footer for the Subsidy Gyaan website using HTML, CSS and JavaScript only. The footer must be used across all pages. It should include an optional top CTA strip, four main footer columns, and a bottom legal bar. Use a white or soft blue background, deep navy headings, gray body text, teal hover color, and orange CTA buttons. Footer columns should be: brand info, quick links, services/subsidies, and contact details. Use this brand line prominently: Gyaan se Pragati, Salah se Samriddhi. Make it fully responsive and professional: four columns on desktop, two on tablet, one on mobile.

14. Footer Developer Checklist

- Footer must be included on every main page with the same structure and styling.
- All links should point to the correct static HTML files.
- Phone number should be clickable using tel: links.
- Email should be clickable using mailto: link.
- CTA button should link to check-subsidy-eligibility.html.
- Footer should not break on mobile and should stack into one clean column.
- Disclaimer must remain visible in the bottom bar or just above it.
- Brand line must appear exactly as: Gyaan se Pragati, Salah se Samriddhi.
